Guidelines for mammograms:

- Annual screenings are recommended for women beginning at age 40.
- UT Southwestern Medical Center accepts most major insurance plans. Please check with your health insurance provider to see if UT Southwestern is in their network.
- The UT Southwestern Mobile Mammography Unit is designed for routine screenings. If you have any breast problems, please consult your physician.
- If it has been a year or more since your last mammogram, please call us to schedule your appointment: 214-645-2560 or 1-866-277-0710 (toll free).

CDC safety precautions:
Only one patient allowed at a time in the mobile unit, temperature checks and masks are required.
